The Notice of Non-Compliant Amendment

In the Notice of Non-Compliant Amendment mailed May 2, 2008, the Examiner indicated that claim 27, line 7 should not have included “a” and that claim 27, line 9 should have included “specific”. Consequently, Applicant was given a one-month response period during which to supply a corrected “Amendments to the Claims” section. Provided above is the corrected “Amendments to the Claims” section that corrects for the above two items noted by the Examiner.

Conclusion

It is respectfully submitted that a complete response to the Notice of Non-Compliant Amendment has been provided above. Applicant submits that all of the claims are in condition for allowance, which action is requested. If the Examiner finds that a telephone conference would expedite the prosecution of this application, please telephone the undersigned at 408-736-3554.
